

ALSTON + BIRD_{LLP}

invites you to join us for a special webinar presentation

Banking Industry Challenges in 2010: Issues and Risks for Bank Directors & Officers

Wednesday, May 12, 2010

1:00 pm – 2:00 pm EDT

In the current banking environment, the litigation risks to bank directors and officers are high. Understanding the steps that can be taken in anticipation of potential claims can guide board directors. In this webinar, the panel will discuss the nature of these risks, the potential claims that might arise and steps that bank officers and directors can take to be better prepared in the event of litigation.

We will address:

- **FDIC Post Receivership Investigations and Pre-Litigation Processes**
- **Other Potential Claims: Shareholders, Bankruptcy Trustees, Customers or Employees**
- **Key Considerations Regarding Bank Directors' and Officers' Insurance**

Speakers:

Mary C. Gill, Partner, Atlanta

Michael J. Hartley, Partner, Los Angeles

Robert R. Long, Partner, Atlanta

See reverse side for registration information.
