

# The Alston & Bird Corporate Cup

Saturday, March 6, 2010 | 8:00 a.m.

The Alston & Bird Corporate Cup has been an uptown Charlotte tradition for 30 years, celebrating healthy competition while giving back to the community. Approximately 2,500 runners will run or walk a 5K, half-marathon or relay half-marathon.

This year's race features a new twist: Alston & Bird is partnering with the Arts & Science Council and the organization Eat Charlotte to offer Corporate Cup participants special discounts at uptown museums, restaurants and cultural destinations.

The Corporate Cup is organized by the Childress Klein YMCA to raise money and support for YMCA Community Outreach, including literacy programs for children, assistance for families in crisis and English as a second language courses.
