

## **HHS Announces Upcoming HIT Policy and Standards Committee Meetings**

The Office of the National Coordinator announced three upcoming meetings today related to HIT policy and standards development. The Policy Committee will meet on July 16, 2009 and the Standards Committee will meet on July 23, 2009. The Policy Committee will discuss a revised definition of "meaningful use," and the Standards Committee will discuss the certification process. In addition, the Policy Committee Certification/Adoption Workgroup will meet on July 15, 2009 to hear from stakeholders on the certification process.

Federal Register notices for these meetings may be found at the following web addresses:
