Ground Transportation:

<https://www.flysfo.com/to-from/overview>

Public Transportation via Caltrain Commuter Rail:

- Caltrain (<http://www.caltrain.com/>) provides rail service between San Francisco and San Jose. East Palo Alto is located between these two cities. There is a complimentary shuttle from the Caltrain Palo Alto train station to University Circle via Mosiac Transportation.
- BART (Bay Area Rapid Transit) connects San Francisco International Airport to the Caltrain rail system at the Millbrae Station.

Parking:

Visitor parking is the first right when you enter the University Circle property. It will be street level, on the right side.

Use your smart phone; click on the Google Maps icon.
