Alaska - Borough of Wrangell	Ordinance No. 981	11/12/2020 - 12/7/2020	All employers; restaurants and bars; personal services; group gym or exercise. <i>See</i> Comments.	No	No	Yes	Yes - see next column	Employers are responsible to make sure employees who are present in the workplace have access to and wear masks, cloth face coverings, or face shields when in direct contact with customers, members of the public, or other employees. The same is not required for members of the same household or when employees are not within six feet of others. Certain exceptions apply. Employers will not be subject to fines based on non-compliance by customers so long as there is appropriate signage. The order also encourages: restaurants and bars to reduce capacity and ensure six feet of separation between parties; personal services should be by appointment with only one customer per provider and no waiting areas; eliminate group gym or exercise and reduce capacity; among other mitigation efforts.	N/A
Alaska - Yakutat	Emergency Ordinance 20-672	5/11/2020	N/A	No	No	No	Yes - see next column	If a business within the borough is re-opening or otherwise operating under the provisions of Attachments D through U (excepting Attachment M) of the State of Alaska Health Mandate 016 (see above), the business must submit to the borough a copy of its COVID-19 Mitigation Plan and demonstrate to the satisfaction of Borough Incident Command that the business (i) has fully trained its employees on the requirements and obligations of the applicable Attachment and the Mitigation Plan, (ii) has on hand, or has the ability to obtain when necessary, the sanitation supplies and personal protection equipment called for in the applicable Attachment and the Mitigation Plan, and (iii) has established an appropriate protocol for non-compliant patrons. <u>California</u>	Regional Stay Home Order	12/3/2020	As of December 10, individuals in the following regions: (1) Greater Sacramento; (2) San Joaquin Valley; and (3) Southern California.	No	No	No	Yes - see next column	<p>The Regional Stay Home Order, announced December 3, will go into effect within 48 hours in regions with less than 15% ICU availability. It prohibits private gatherings of any size, closes sector operations except for critical infrastructure and retail, and requires 100% masking and physical distancing in all others. The order will remain in effect for at least three weeks and, after that period, will be lifted when a region's projected ICU capacity meets or exceeds 15%. This will be assessed on a weekly basis after the initial three week period.</p> <p>The Regional Stay Home Order instructs Californians to stay at home as much as possible to limit the mixing with other households that can lead to COVID-19 spread. It allows access to (and travel for) critical services and allows outdoor activities to preserve Californians' physical and mental health. This limited closure will help stop the surge and prevent overwhelming regional ICU capacity.</p> <p>In any region that triggers a Regional Stay Home Order because it drops below 15% ICU capacity, the following sectors must close: (1) indoor and outdoor playgrounds; (2) indoor recreational facilities; (3) hair salons and barbershops; (4) personal care services; (5) museums, zoos, and aquariums; (6) movie theaters; (7) wineries; (8) bars, breweries, and distilleries; (9) family entertainment centers; (10) cardrooms and satellite wagering; (11) limited services; (12) live audience sports; and (13) amusement parks.</p> <p>The following sectors will have additional modifications in addition to 100% masking and physical distancing:</p> <ul style="list-style-type: none">•Outdoor recreational facilities: Allow outdoor operation only without any food, drink or alcohol sales. Additionally, overnight stays at campgrounds will not be permitted.•Retail: Allow indoor operation at 20% capacity with entrance metering and no eating or drinking in the stores. Additionally, special hours should be instituted for seniors and others with chronic conditions or compromised immune systems.•Shopping centers: Allow indoor operation at 20% capacity with entrance metering and no eating or drinking in the stores. Hawaii - Kauai County	Emergency Rule 20	10/15/2020	All indoor and outdoor social gatherings, businesses, operations, and activities.	Yes	No	No	No	<p>Pursuant to HRS §127A-12(a)(5)(D), §127A-12(c)(12), 127A-25, and the Governor’s Proclamation, all indoor and outdoor social gatherings, businesses, operations, and activities are subject to the Emergency Rule 19 restrictions and physical distancing requirements found in the Governor’s Proclamation, any applicable State and CDC guidelines, and the Kaua’i Business and Recreational Guidelines for COVID-19.</p> <p>The Kaua’i Business and Recreational Guidelines for COVID-19 strategy is based on four tiers. Each tier is based on the level of disease transmission of COVID-19 within the County, which is determined by two criteria: (1) the 7-day average number of daily cases reported; and (2) the 7-day average test positivity rate.</p>	N/A
Hawaii - Kauai County	Emergency Rule 19	10/15/2020	Travelers	Yes	No	No	No	The County of Kaua’i adopts a negative test exception to the County Travel Quarantine pursuant to Section V of the Governor’s Proclamation. This negative test exception shall be integrated into the State’s Safe Travels Program and shall follow the terms of the negative test exception for travelers entering the State described in Section IV.B.2 and Exhibit B of the Governor’s Proclamation. Two additional terms shall apply: ☐ Tests administered within the County of Kaua’i shall not meet the requirement of an approved COVID-19 test for purposes of the negative test exception. ☐ If a traveler has made one or more trips to and from the County of Kaua’i after a test is administered, then that test shall not meet the requirement of an approved COVID-19 test for purposes of the negative test exception. Hawaii - Kauai County	Re-Instated Mayor's Emergency Rule #1 Amendment #2	9/30/2020	Designated County campgrounds at Lucy Wright Park, Salt Pond Beach Park, Lydgate Beach Park, Anahola Beach Park, and 'Anini Beach Park are open only for members of our houseless community. Camping permits are required for each resident, regardless of age. Original Camping Permits expired on August 31, 2020. A new camping permit may be issued for October with an expiration date of October 31, 2020.	No	No	No	Yes	Permit required	N/A
Hawaii - Kauai County	Emergency Rule 17	9/8/2020	The following definitions and any related definitions from Kaua'i County Code Section 8-1.5 shall apply to this rule: "Hotel" means any building containing six (6) or more rooms intended or designed to be used, or which are used, rented or hired out to be occupied for sleeping purposes by guests when the rooms are open to the occupancy by the general public on a commercial basis whether the establishment is called a hotel, resort hotel, inn, lodge or otherwise which rooms do not constitute dwelling units. "Motel" means a group of attached or detached buildings containing rooms, designed for or used temporarily by automobile tourists or transients, with garages attached or parking space conveniently located to each unit, including auto court, tourist court or motor lodge, or otherwise, which rooms do not constitute dwelling units.	No	No	No	No	None	N/A
Hawaii - Kauai County	Emergency Rule 16	9/14/2020	Resorts and hotel facilities	Yes	No	No	No	To participate in an enhanced movement quarantine ("EMQ"), resorts and hotel facilities ("facilities") must notify Kaua'i Emergency Management Agency (KEMA) that they will be instituting an EMQ. KEMA will review all security and enforcement plans to ensure compliance with this rule. Submittal of a plan constitutes an agreement to abide by this rule and all other emergency rules, proclamations, or orders. Security and enforcement is the responsibility of the participating facility. Provided any violation of the EMQ is immediately referred to the Kaua'i Police Department for criminal prosecution. The "Health and Safety" requirements are a minimum. Facilities should take all necessary precautions to protect the health and safety of guests and employees. Any facility that wishes to provide an EMQ must institute the minimum program requirements set forth in the rule.	N/A

Illinois	Executive Order 2020-73	11/20/2020	All individuals, businesses, manufacturers, retailers, office building employers, hotels, gyms, personal services, indoor venues.	Yes	No	Yes	Yes	<p>Tier 3 mitigation orders in all regions: Regional mitigation orders are still in place, but Tier 3 controls to the extent different standards apply.</p> <p>All individuals must practice social distancing of 6 feet. All individuals over the age of 2 must wear a face covering when in a public place and unable to maintain a 5-foot distance. Indoor gatherings of more than 1 household are prohibited. Outdoor gatherings are limited to no more than 10 people.</p> <p>Businesses are capped at 25% occupancy for customer-facing activities. Grocery stores and pharmacies are capped at 50% occupancy. Other retail stores are capped at 25% occupancy. All employees must be provided with face coverings and place signage communicating social distancing and face covering requirements in the order. Manufacturers must ensure employees practice social distancing and provide employees additional COVID-19 training in accordance with the Department of Commerce and Economic Opportunity (DCEO) guidance. Manufacturers must also coordinate with the state to implement testing protocols and contact tracing. They must modify and downsize operations to the extent necessary to allow for social distancing, review policies to ensure workers are not encouraged or incentivized to report to work while sick or potentially contagious, and develop and implement safety protocols for employee travel vans to ensure spacing, face coverings, temperature checks, air circulation, and vehicle sanitation. Employers in office buildings must ensure all employees practice social distancing, provide face coverings, cap occupancy at 50%, allow telework where possible, and develop and prominently post plans and signage to ensure social distancing in shared spaces. Indoor venues and meeting spaces are prohibited from hosting gatherings of any size. Funerals and visitation services are subject to additional guidance.</p> <p>Restaurants and bars may not allow in-person indoor consumption. Outdoor on-premises consumption is permitted so long as social distancing guidance is followed. Hotel room occupancy must be limited to registered guests only. Fitness centers in hotels must be</p>	Tier 3 Mitigation Plan

Illinois - Chicago	Order	11/16/2020	Residents; travelers; meetings and social events; indoor gatherings; restaurants and bars; non-essential businesses	Yes	Yes	No	No	<p>Mayor and Commissioner of Health advise all residents of Chicago to stay at home in response to the rapid rise of COVID-19 cases and hospitalizations in the city. Residents are advised to only leave home to go to work or school or for essential needs (i.e. seeking medical care or going to the grocery store/pharmacy). Residents are strongly advised to not have guests in their homes unless they are essential workers, cancel traditional Thanksgiving celebrations and avoid travel.</p> <p>Travel Restrictions: Anyone traveling from a state that has a case rate between 15 average daily cases per 100k population and Chicago's rate is directed to obtain a negative COVID-19 test result within 72 hours prior to arrival in Chicago or quarantine for a 14-day period. Anyone traveling from a state that has a higher case rate than Chicago's must quarantine for a 14-day period or the duration of their time in Chicago, whichever is shorter.</p> <p>Meetings and social events are limited to 10 individuals (both indoor and outdoor events).</p> <p>Indoor gatherings within private residences cannot exceed 6 non-household members.</p> <p>All restaurants and bars must suspend indoor dining and service.</p> <p>All non-essential businesses must be closed to the public between the hours of 11PM and 6AM.</p>	N/A
Illinois - Chicago	Emergency Travel Order 2020-10	11/13/2020 updated 12/3/2020 updated 12/15/2020	Individuals arriving in the City of the Chicago, while they are in the city.	Yes	Yes	Yes	Yes	<p>Individuals traveling to Chicago from red states must quarantine for 10 days upon arrival.</p> <p>Individuals traveling from orange states must quarantine for 10 days upon arrival OR receive a pre-arrival negative test result (no longer than 72 hours prior to arrival) with strict masking, social distancing and avoidance of in-person gatherings.</p> <p>Individuals from yellow states do not have a quarantine or pre-arrival test requirements. Required to maintain strict masking and social distancing upon arrival in Chicago.</p>	Updated state color list.

Indiana	Executive Order 20-50	12/13/2020	General public, bars, restaurants, public venues.	Yes	No	Yes	No	<p>All individuals must engage in social distancing (6 feet apart) unless they are members of a single household. All individuals must wear a face covering when inside a business, public building, or other indoor place open to the public. This does not extend to private offices, private workspaces or meetings in which 6 feet of social distancing can be maintained. All individuals must wear a face covering when in outdoor public spaces and it is not feasible to maintain 6 feet of social distancing, and when using public transportation.</p> <p>Businesses, including retail, restaurants, professional services, and gyms are allowed to be open and operate so long as they develop re-evaluate their plans for instituting safeguards from COVID-19. Businesses must place signage that entrance requires a face covering.</p> <p>Hospitals are directed to postpone and/or reschedule non-emergency procedures.</p> <p>Restaurants and bars must require patrons to remain seated while consuming food and/or drink. While capacity limits are no longer based on a percentage of overall occupancy, seating must be arranged and maintained so that individuals, households, or parties are spaced at least 6 feet apart.</p> <p>Events are limited according to the color-coded metric of the county in which the event is going to be held.</p>	N/A

Alston Bird LLP

Iowa	Public Health Proclamation of Disaster Emergency 2020.05.13	5/15/2020	Permits salons, barbershops, massage, and tattoo establishments to reopen with appropriate health measures, and permits restaurants, fitness centers, libraries, and race tracks to reopen in the 22 counties identified in the 4/27/2020 Health Proclamation where those facilities were instructed to remain closed.	Yes	No	No	Yes - see next column	Restrictions are specific to each type of business permitted to open by the Order. All business must limit patrons to 50% of the maximum legal capacity and implement reasonable measures to ensure social distancing and hygiene practices. In addition to limiting capacity restaurants must limit groups to six people, sit groups six feet apart, and refrain from utilizing any self service. In addition to limiting capacity, fitness centers must ensure equipment is spaced six feet apart, and restrict group activities to classes of ten people and ensure individuals are six feet apart. In addition to limiting capacity, malls must close common seating areas and play areas. Salons must operate at 50% capacity, and are only allowed to operate by appointment only, ensuring that customers are kept 6 feet apart during services. Medical spas may provide services but must comply with PPE for performing outpatient procedures. Tanning facilities, massage therapy establishments, and tattoo establishments may reopen but must take reasonable measures to ensure social distancing and increased hygiene.	N/A
Iowa	Public Health Proclamation of Disaster Emergency 2020.04.24	4/27/2020	Permits the limited operation of farmers' markets and farmers' auctions.	Yes	No	No	Yes - see next column	Farmers markets are limited to vendors selling farm products or food, excluding any entertainment or activities. The Order further prohibits common seating, mandates that vendor booths be assigned six feet apart, and requires farmers' markets to "implement reasonable measures" to ensure social distancing of vendors and customers. Farm Product Auctions that exceed ten individuals remain prohibited until April 30 except for "livestock auctions that only include food animals and farm product auctions," which may operate "so long as there are no more than 25 people present in person."	N/A
Iowa - Cedar Falls	Resolution No. 22,097	9/8/2020 - 10/21/2020	The resolution mandates a face coverings for all individuals, and provides no "business that is open to the public may provide service to a customer or allow a customer to enter its premises, unless the customer is wearing a face covering as required by this resolution."	No	No	Yes	Yes - see next column	Every person must wear a face covering in public when distancing cannot be maintained, when inside any indoor public setting (including retail stores, grocery stores, and other public settings that are not one's residence), when outside if social distancing cannot be maintained, and when using public transportation or a private car service. There are exemptions for children under five years old, those with trouble breathing, those who are incapacitated, those who have been told by a medical professional to not wear face coverings, and other exceptions. Firemen, law enforcement, emergency medical personnel, and others engaged in public safety are also exempt.	N/A

Alston Bird LLP

Iowa - Cedar Rapids	Mayoral Proclamation No. 10-09-20	9/2/2020	The Mayor's proclamation mandates a face covering over a person's nose and mouth, and provides no "business that is open to the public may provide service to a customer or allow a customer to enter its premises, unless the customer is wearing a face covering as required by this Proclamation."	No	No	Yes	Yes - see next column	Every person must wear a face covering in public when distancing cannot be maintained, when inside any indoor public setting or place of public accommodations (including retail stores, restaurants, bars, taverns, etc.), when in any other public setting, and when using public transportation or a private car service. There are exemptions for children under two years old, those with trouble breathing, those who are incapacitated, those who have been told by a medical professional to not wear face coverings, those who are eating/drinking, religious beliefs, and other exceptions. Firemen, law enforcement, emergency medical personnel, and others engaged in public safety are also exempt.	N/A
Iowa - Johnson and Story Counties	Public Health Proclamation of Disaster Emergency 2020.10.02	10/02/2020 - 10/18/2020	A restaurant or bar may reopen to serve food and beverages on its premises, subject to requirements. Wineries, breweries, and distilleries may reopen to serve food and beverages on its premises, subject to requirements.	Yes	No	No	Yes - see next column	A restaurant or bar, including a wedding reception venue, country club, or other social or fraternal club, may reopen or remain open to serve food and beverages on its premises, but must ensure six feet of distance between each group (unless separated by a sufficient barrier, all patrons must have a seat and be seated while consuming food or beverages. Additional social distancing, hygiene, and public health measures apply. A winery, brewery, or distillery may reopen or remain open to serve food and beverages on its premises, but must ensure six feet of distance between each group (unless separated by a sufficient barrier, all patrons must have a seat and be seated while consuming food or beverages. Additional social distancing, hygiene, and public health measures apply.	N/A

New Mexico	New Mexico to Update Guidance Within Emergency Public Health Order	9/18/2020	See Comments	N/A	N/A	N/A	N/A	<p>New Mexico Governor Michelle Lujan Grisham announced that the state will update its guidance within the emergency public health order to permit small groups in exercise settings and safe outdoor activities for New Mexicans. An amended emergency public health order, which will be published on September 18, 2020 and will be effective through mid-October, will permit youth sports conditioning and skills development, with no more than 10 individuals in any one group. Additionally, pick-your-own pumpkin patches will be permitted to operate with some restrictions, ice skating rinks may operated for athletic training and practice by reservation only, and swimming pools may open with no more than 10 individuals in a pool at any given time.</p> <p>In addition, New Mexicans may overnight camp at most state parks in groups of no more than 10. That change will be effective October 1, 2020.</p>	N/A
New Mexico	NM Supreme Court Ruling	8/28/2020	See Comments	N/A	N/A	N/A	N/A	<p>The New Mexico Supreme Court has ruled that the state can close businesses or impose restrictions, such as banning indoor restaurant dining, during the COVID-19 pandemic, granting Governor Michelle Lujan Grisham and her health secretary's bid to make emergency decisions that protect the public's health.</p> <p>In addition to granting the Governor's petition, the high court also ordered a state district court to vacate its July 20, 2020 temporary restraining order that had favored the New Mexico Restaurant Association and local eateries in their separate suit against the state over forced closures due to the coronavirus.</p> <p>The Supreme Court also slapped down a second question raised by the restaurants about whether temporary closures and restrictions as a public health measure constitute a "taking" requiring monetary payments to business owners, rejecting the eateries' claims that a July 13 ban on indoor dining service was "arbitrary and capricious."</p>	N/A

New Mexico	Executive Order 2020-056	8/6/2020	New Mexico residents who have left the state to obtain medical care or for less than 24 hours for matters attendant to parenting responsibilities.	Yes	No	No	Yes - see next column	<p>Individuals arriving in New Mexico from out of state, whether residents of New Mexico or not, must self-isolate from others in a residence or place of lodging for at least 14 days from the date of their entry into New Mexico or for the duration of their presence in the state, whichever is shorter. Included in the executive order are new exceptions for: (1) New Mexico residents who have left the state to obtain medical care; and (2) New Mexico residents who have left the state for less than 24 hours for matters attendant to parenting responsibilities.</p> <p>As before, the self-quarantine requirement does not apply to does not apply to persons employed by airlines, those performing public safety or public health functions, military personnel and their dependents, federal employees, those employed by a federal agency or national defense contractor, emergency first responders, health care workers, those arriving in the State pursuant to a Court order, and persons who are employed or contracted by an “essential business”, as defined by the operative public health order addressing mass gathering restrictions and business closures, and who are traveling into New Mexico to conduct business activities.</p>	Announcement Regarding New Exceptions to State Quarantine Requirements
New Mexico	Indoor Dining Ban in NM Halted Temporarily	7/20/2020	Restaurants and breweries	No	No	No	Yes - see next column	<p>On June 20, 2020, New Mexico state district court judge Raymond Romero temporarily blocked a ban on indoor dining service at restaurants and breweries across the state, suspending the state’s prohibition of indoor restaurant service that was reinstated this month in response to surging coronavirus infections. In court filings, restaurant representatives have said that the ban is unwarranted and discriminatory, that the industry has not played a significant role in the spread of the coronavirus and that businesses that pose greater potential risks, such as gyms, churches and hair salons, continue to operate indoors in confined spaces.</p> <p>The New Mexico State Supreme Court, however, issued a stay of Judge Romero’s order, placing the state-wide ban on indoor dining back into effect, after the state filed an emergency petition. The New Mexico State Supreme Court has asked all parties to offer arguments by 3 p.m. on July 27, 2020.</p>	NM Supreme Court to Hear Challenge to Ban on Indoor Restaurant Dining

New Mexico	NM Public Health Order Announcement	7/13/2020	New restrictions on New Mexico restaurants, breweries, state parks, and individuals exercising in public.	Yes	No	Yes	Yes - see next column	New Mexico Governor Michelle Lujan Grisham announced that the state will re-enact emergency public health restrictions via a new emergency public health order effective Monday, July 13. The new public health order will prohibit indoor dining at restaurants (which had been permitted at a limited capacity in the state since June 1) and restrict indoor seating at breweries (which had been permitted at a limited capacity since June 15). Restaurants and breweries may operate outdoor seating at 50% of the maximum occupancy by fire code. Restaurants may continue to operate carry out, pickup and delivery services, and breweries may continue to operate curbside pickup services. The public health order will also be amended to restrict out-of-state visitors at New Mexico state parks, and the state’s mandate that all individuals must wear face coverings in public will be modified to require that individuals to wear face coverings while exercising.	N/A
New Mexico	NM Dept of Education Guidance	Fall 2020	Public schools	Yes	Yes	Yes	Yes - see next column	The New Mexico Public Education Department released guidance that requires schools to start the year in a hybrid learning model with in-person attendance limited to 50% of classroom capacity, with students continuing with online lessons while at home. School staff must have their temperatures checked daily and submit to COVID-19 testing. Schools also need to report results to state health officials. Students and staff must wear masks, and large gatherings like pep rallies or assemblies are to be avoided. Cafeterias, if used, are encouraged to stagger lunch times and spread out the students to comply with social distancing requirements.	N/A

New Mexico	NM Governor's Office Announcement	6/12/2020 (outdoor) 6/15/2020 (indoor)	Breweries	Yes	No	No	Yes - see next column	<p>Starting on Friday, June 12, 2020, the state's existing emergency public health order will be amended so that breweries may offer outdoor and patio seating at 50 percent of maximum occupancy as determined by the fire code. The following stipulations apply: (1) No service may be provided in indoor seating area; (2) Outdoor service may be provided only to patrons who are seated; (3) Tables must be placed at least 6 feet from one another; (4) No more than six patrons may be seated at any single table; and (5) No bar or counter seating is permitted.</p> <p>Bars – defined as food and beverage service establishments that derived more than 50% of their revenue in the prior calendar year from the sale of alcoholic beverages – are not included in this provision and may not operate outdoor or patio services at present.</p> <p>A new public health order to take effect Monday, June 15, will allow breweries to resume indoor service at 50% occupancy as determined by fire code. Bar and counter seating will still be prohibited, and these businesses will be required to comply with Restaurants' may resume indoor seating at 50% maximum occupancy. Bar and counter seating are still prohibited; customers must be seated at tables positioned at least 6 feet apart.</p>	N/A
New Mexico	NM Order Announcement	6/1/2020	Restaurants, hair salons and barber shops, tattoo parlors, massage parlors, nail salons, gyms, malls	Yes	No	No	Yes - see next column	<p>Gyms also will be allowed to reopen at 50% occupancy among other restrictions – including that group fitness classes are not permitted – while indoor malls, hair and nail salons, barber shops, tattoo parlors and massage services may begin operating at 25% occupancy. Shopping mall food courts must remain closed. Salons and other personal-service businesses must operate on a by-appointment basis. Waiting rooms will remain closed, and clients will not be allowed to enter until time for their appointment.</p> <p>Drive-in theaters may reopen under the COVID-Safe Practices previously released by the state.</p>	Executive Order 2020-037
New Mexico	Dine-In Restaurant Announcement	5/27/2020	Restaurants outside of the northwestern public health region (i.e. Cibola, McKinley, and San Juan counties).	Yes	No	No	Yes - see next column	<p>Dine-in services inside restaurants and bars remain temporarily prohibited. New Mexico is on target for a June 1 reopening of those services under a limited capacity per fire code occupancy restrictions.</p> <p>Restaurants may offer dine-in service in outdoor seating areas at up to 50 percent of their outdoor area fire code occupancy. However: (1) no dine-in service may be provided in indoor seating areas; (2) outdoor dine-in service may only be provided to patrons who are seated; (3) tables must be placed with at least six feet of distance between one another; (4) o more than six patrons may be seated at any single table; and (5) no bar or counter seating is permitted.</p>	NM Amended Public Health Order

Alston Bird LLP

New York	Announcement	7/1/2020	The Capital Region entered Phase 4.	Yes	Yes	Yes	Yes - see next column	Note: The Mid-Hudson and Long Island Regions remain in Phase 3.	N/A
New York	Announcement	6/30/2020	The Western New York region entered Phase 4, joining the Southern Tier, Finger Lakes, Central New York, Mohawk Valley, and North Country Regions.	Yes	Yes	Yes	Yes - see next column	Phase 4 allows for opening of: higher education; low-risk outdoor arts & entertainment; low-risk indoor arts & entertainment; media production; and professional sports competitions with no fans.	Specific guidelines for each industry are provided as part of the New York State Reopening guidance.
New York	"NY Forward Reopening" Plan	5/15/2020	<p>Phased reopening will begin on May 15, 2020 for phase one in certain geographical regions. There will be four phases of reopening, and the plan “prioritizes businesses considered to have a greater economic impact and inherently low risks of infection for the workers and customers, followed by other businesses considered to have less economic impact, and those that present a higher risk of infection spread.”</p> <p>Phase one includes construction; manufacturing; wholesale trade; select retail (for curbside pickup only); and agriculture, forestry, and fishing.</p> <p>Phase two includes professional services; finance and insurance; retail; administrative support; and real estate, rental, and leasing.</p> <p>Phase three includes restaurants and food services.</p> <p>Phase four includes arts, entertainment, and recreation; and education.</p>	Yes - see Comments	Yes - see Comments	Yes - see Comments	Yes - see next column	<p>Reopening will occur on a regional basis and the state is divided into ten geographical regions. The New York City region will likely be closed much longer than up-state regions based on the state’s criteria for re-opening. The state will monitor four core factors to determine if a region can re-open: (1) number of new infections; (2) health care capacity; (3) diagnostic testing capacity; and (4) contact tracing capacity. (See Guidelines for additional details.) A Regional Monitoring Dashboard monitors progress.</p> <p>“Each business and industry must have a plan to protect employees and consumers, make the physical work space safer and implement processes that lower risk of infection in the business.” As part of that plan, businesses “need to consider” protection for employees, “including requiring all employees and customers to wear masks if in frequent close contact with others and implementing strict cleaning and sanitation standards,” “possible adjustments to workplace hours and shift design as necessary to reduce density in the workplace; enacting social distancing protocols, and restricting non-essential travel for employees,” and “implementing processes that meet our changing public health obligations, like screening individuals when they enter the workplace, or reporting confirmed positives to customers.”</p>	Industry-specific guidelines addressing requirements and recommendations for workplace safety

Alston Bird LLP

<u>New York</u>	Guidelines for Phased Plan to Re-open	See Comments	Phase one will include opening construction and manufacturing functions with low risk. Phase two will open certain industries based on priority and risk level. Businesses considered “more essential” with inherent low risks of infection in the workplace and to customers will be prioritized, followed by other businesses considered ‘less essential’ or those that present a higher risk of infection spread.	Yes	Yes	Yes	Yes - see next column	<p>The state will monitor four core factors to determine if a region can re-open: (1) number of new infections; (2) health care capacity; (3) diagnostic testing capacity; and (4) contact tracing capacity. (See Guidelines for additional details.)</p> <p>Each business and industry must have a plan to protect employees and consumers, make the physical work space safer and implement processes that lower risk of infection in the business. Gov. Cuomo outlined more concrete guidance on new safety precautions that each business must put in place upon re-opening: (a) adjusting workplace hours and shift design; (b) enact social distancing protocols; (c) restrict non-essential travel for employees; (d) require all employees and customers to wear masks if in frequent contact</p>	Industries Re-Opening Phases

Alston Bird LLP

South Carolina - Georgetown County	Emergency Ordinance 20-33 Amendment No. 2	9/2/2020 - 12/8/2020	All foodservice establishments, grocery stores, retail stores, and pharmacies.	No	No	Yes	No	The ordinance requires individuals to wear face coverings, subject to certain exceptions. All foodservice establishments, grocery stores, retail stores, and pharmacies must require each employee to wear a face covering at all times while having face-to-face interaction with the public.	Emergency Ordinance No. 20-55 (extending ordinance)
South Carolina - Greenville	Emergency Ordinance No. 12B	10/12/2020	All Retail Establishments, salons, barber shops, and spas must require employees to wear a face covering at all times while having face to face interactions with the public.	No	No	Yes	No	"Retail Establishments" means any retail business, organization, establishment, or facility open to the public. All persons entering a Retail Establishment must wear a face covering (subject to exceptions) while inside the establishment. However, the Retail Establishment is not responsible for enforcing this requirement.	N/A
South Carolina - Hilton Head	Emergency Ordinance 2020-23	10/13/2020	All commercial establishments located in a closed building or other indoor environment that primarily sells or provides goods or services, or a combination of them, to the general public (including grocery stores, restaurants, lobbies, public spaces, pharmacies, bars, salons, retail stores, medical and dental offices)	No	No	Yes	Yes - see next column	The ordinance extends a mask mandate already in effect. All referenced businesses must require all employees to wear a face covering at all times that the employees are in any area where the general public is allowed, or when employees must be in close proximity to one another. A business that violates the ordinance more than three times will be declared a nuisance, and the town may take specified actions to abate such nuisance.	N/A
South Carolina - Lexington	Emergency Ordinance No. 8	8/31/2020	All grocery stores, pharmacies, and other retail establishments open to the public.	No	No	Yes	No	All individuals are required to wear face masks inside any enclosed area of any grocery store, pharmacy, or other retail establishment. Grocery stores, pharmacies, and other retail establishments must require staff to wear face coverings in areas open to the general public and in areas where social distancing cannot be maintained. Face covering requirements are subject to a number of exemptions, including outdoor areas where social distancing can be maintained, religious beliefs, medical conditions, young children, etc.	N/A
South Carolina - Myrtle Beach	Executive Order No. 12B	9/30/2020	Requires all retail, foodservice, and overnight accommodation establishments to require staff to wear face coverings while working in areas open to the general public and areas in which interactions with other staff are likely in which social distancing cannot be observed.	No	No	Yes	No	The order continues in effect the mask ordinance summarized above. Establishments only have a duty to enforce the order against their employees and will not have a duty to require customers, visitors, or other members of the general public to wear a face covering.	N/A

Alston Bird LLP

South Carolina - Myrtle Beach	Executive Order No. 12	7/2/2020	Requires people over the age of ten years old to wear a face covering while inside the enclosed area of any retail establishment, foodservice establishment, or overnight accommodation establishment, and requires employees of those establishments to wear face coverings while working in areas open to the general public and areas in which social distancing among staff cannot be observed.	No	No	Yes	Yes - see next column	"Establishments and Responsible Persons shall have a duty to enforce the provisions of this Executive Order only against employees of the Establishment. Without limiting the generality of the foregoing, no Establishment or Responsible Person shall have any duty to require that customers, visitors, or other members of the general public wear Face Coverings."	N/A
South Carolina - West Columbia	Emergency Face Coverings Ordinance	9/1/2020 - 11/1/2020	Foodservice establishments, retail establishments, hair salons, nail salons, barber shops, personal hygiene establishments, and medical offices.	No	No	Yes	No	The ordinance extends an existing ordinance. Face coverings must be worn inside foodservice establishments, retail establishments, hair salons, nail salons, barber shops, personal hygiene establishments, and medical offices (including grocery, pharmacies, sporting goods, furniture, clothing, jewelry, hardware, book/craft/music, florists, bars, alcoholic beverage, laundromats, etc.). All foodservice and retail establishments must require every employee to wear a face covering at all times while having fact-to-face interaction with the public or other employees or where social distancing cannot be observed at all times. The ordinance also provides certain exemptions, including for health conditions, children, oral health services, dining, etc. Retail establishments with the ability to isolate customers from employees and maintain social distancing may request a waiver from the city.
