Section 2(C)(1) of Executive Order No. 121 allowed some businesses and operations to remain open only if they could maintain specified Social Distancing Requirements. These businesses and operations must now also meet the Additional Social Distancing Requirements specified in this Section to remain open. Businesses or operations that received letters from the North Carolina Department of Revenue stating that they could continue to operate only if they satisfied the Social Distancing Requirements in Executive Order No. 121 must also satisfy the Additional Social Distancing Requirements to remain open.	Required policies for retail establishments. All retail establishments that are permitted to operate under Executive Order No. 121 or under any Order issued by a political subdivision of the State are required to take additional steps specified in this Section (the "Additional Social Distancing Requirements") to limit the risk of community transmission of COVID-19, and to ensure that employees and customers are able to maintain appropriate social distancing. For purposes of this Executive Order, "retail establishments- include any business in which customers enter to purchase goods or services, including but not limited to grocery stores, convenience stores, large-format retail stores, pharmacies, banks. ABC stores, hardware stores, and vehicle dealerships. "Retail establishments" also includes retail establishments operated by the State, its political subdivisions, or agencies thereof. Emergency Maximum Occupancy. 1. The occupancy of all operating retail establishments shall be limited to be no more than: · Twenty percent (20%) of the stated fire capacity; or · Five (5) customers for every one thousand (1000) square feet of the retail location's total square footage, including non-customer-facing portions. This limit is the "Emergency Maximum Occupancy" for that establishment. 2. If the retail establishment has	A violation of this Executive Order may be subject to prosecution pursuant to N.C. Gen. All operating retail establishments are strongly encouraged to take the following additional steps to limit the risk of spreading COVID-19, and to ensure that employees and customers maintain appropriate social distancing. A. Reduce Transmission Among Employees. 1. All retail establishments are encouraged to supply, provide education on proper use, and encourage the use of cloth face coverings for all employees in positions that do not allow them to consistently maintain a six(6)-foot distance from other employees or customers, subject to the availability of these products. 2. All retail establishments should instruct employees to stay home if they are sick. 3. To encourage the minimum social distancing recommended by the CDC, all retail establishments are encouraged to mark six (6) feet of spacing in high-traffic areas within the staff-only portions of the establishment's premises. B. Hand Hygiene. 1. All retail establishments are encouraged to place hand sanitizer prominently at entry and exit points, subject to availability of this product and to have
