Washington, D.C. | The Atlantic Building, 950 F Street, NW | Washington, DC 20004-1404

Abie Tessema is a litigation support professional providing e-discovery and analytics consulting, project management, management of review and production, and impactful leadership.

Abie regularly consults on data challenges, assesses complex e-discovery needs, and designs custom workflows and methodologies utilizing legal technology software including Relativity, Relativity Analytics, Brainspace Analytics, iConect-nXT, iConect-XERA, IPRO Eclipse, and Concordance. He manages e-discovery processing and review cases from inception to completion that involved ECA, analytics, privilege review, and productions.

Professional & Community Engagement

- Relativity Certified Administrator (RCA)
- Brainspace Certified Analyst

Education

- George Mason University (B.S., 2018)
