Jennifer Yang is the director of Alston & Bird's Practice Innovation group, a team of highly skilled engineers, developers, and trainers that evaluates, designs, and implements technology solutions to meet client and attorney needs. Jennifer began her career in the technology industry more than 25 years ago, managing, implementing, and supporting customized technology solutions in various industries, including banking and business equipment. Jennifer joined Alston & Bird in 2008 and has led numerous firmwide projects and teams. She helps set the strategic direction for the firm's software procurement, development, and support. Using her knowledge of technology, business, and the firm, Jennifer focuses on developing the right solution to drive business results.

Education

- Georgia Institute of Technology (B.S.)
