Samantha brings value to health care industry clients by being tuned-in to the pulse of what is happening in health care in Washington so they can be ready for policy movements.

Samantha Mitchell is a policy advisor in Alston & Bird's Washington, D.C. office and a member of the Health Care Group. She focuses her practice on tracking the potential federal legislative and regulatory changes in the health care industry and providing advocacy materials.

Before joining the firm, Samantha worked for and interned at two separate public health organizations. She has also worked as a health care professional and clinic coordinator for two physician practices.
