Theartis Everett Jr. is a highly experienced litigation support professional with a proven track record of providing high-quality legal support services at both legal service vendors and law firms for over 20 years. He has dedicated his career to helping attorneys and their clients navigate complex data issues with the utmost efficiency and accuracy. Theo’s innate attention to detail allows him to consistently locate the “needle in the haystack” when troubleshooting and applying quality control measures. He is often able to rectify data issues in projects where a tangible solution is not immediately apparent.

Theo’s expertise includes but is not limited to data processing, administering large and complex databases, and handling complex data issues. Throughout his career, Theo has earned a reputation for delivering high-quality work product and for efficiently meeting and often exceeding expectations.
