Winston Farrell is a seasoned litigation support professional with more than 11 years of e-discovery experience working in various capacities from hands-on roles to more consultative roles. He brings a wide range of experience gained from being a part of e-discovery teams in multiple Am Law 100 firms. His problem-solving skills and ability to manipulate data are an invaluable tool when handling complex data manipulation requests.

Winston consults with our case teams to help organize data and construct workflows and provides advice for document productions to keep within industry best practices. He has extensive knowledge of data processing and data manipulation. He is proficient in the use of Relativity, Concordance, and a variety of other processing and hosting tools.

Professional & Community Engagement

- Relativity Certified Administrator (RCA)
